The screenshot shows a web browser window with a single tab titled "게시판 내용" (Board Content). The address bar displays "localhost:8080/report11/boardwrite.jsp". The main content area features the title "글작성" (Write Post) in large black font. Below the title are two input fields: the first is labeled "제목" (Subject) and the second is labeled "내용" (Content). At the bottom left of the form is a button labeled "저장" (Save).
